- Business rates
- Council tax
- Specific departmental grants

PRIMARY RISK ASSESSMENT AND STATEMENT OF CONDITIONS

WHAT	RISKS AND CONCERNS	CONDITIONS

EMPLOYMENT: DWP

- DEPARTMENTAL OBJECTIVES**
- POVERTY AND DEPENDENCE:** tackle poverty and welfare dependency through a simplified welfare system that encourages and incentivises people to find work, rewards responsible behaviour and protects the most vulnerable;
    - EVERING CHANGE:** promote high levels of employment by helping people who are out of work, including people in disadvantaged groups, to work;
    - GENERATIONS:** help people meet the challenges of an ageing population; maintain standards of living in retirement;
    - INITIATIVES:** provide opportunity, choice and independence for people to take an equal role in society, while improving services to the public.

Infrastructure for future economies

"This is progress for you, social networking that does not involve lamp-posts."

Internationally competitive labour market

#FUTUREDEVO

Improved wellbeing and inclusion

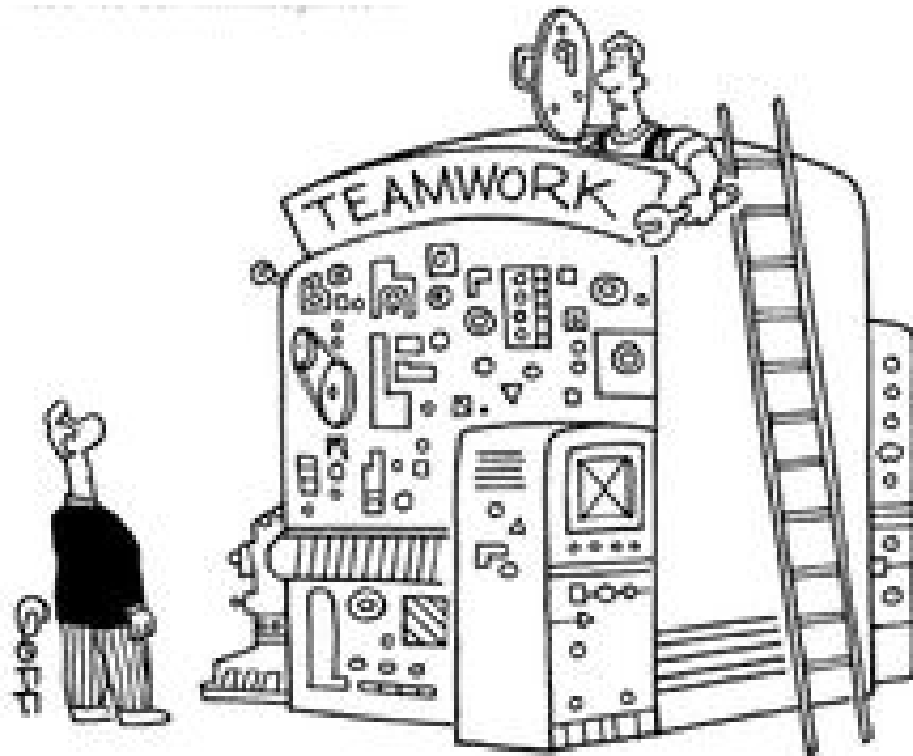

# PUBLIC SERVICE REFORM: DEVOLUTIONARY TRENDS

- Integration of service reform with economic plans, on demand side and supply side
- Will seek more power over education, skills, health and blue light services
- Will need to evidence impact of their transformations

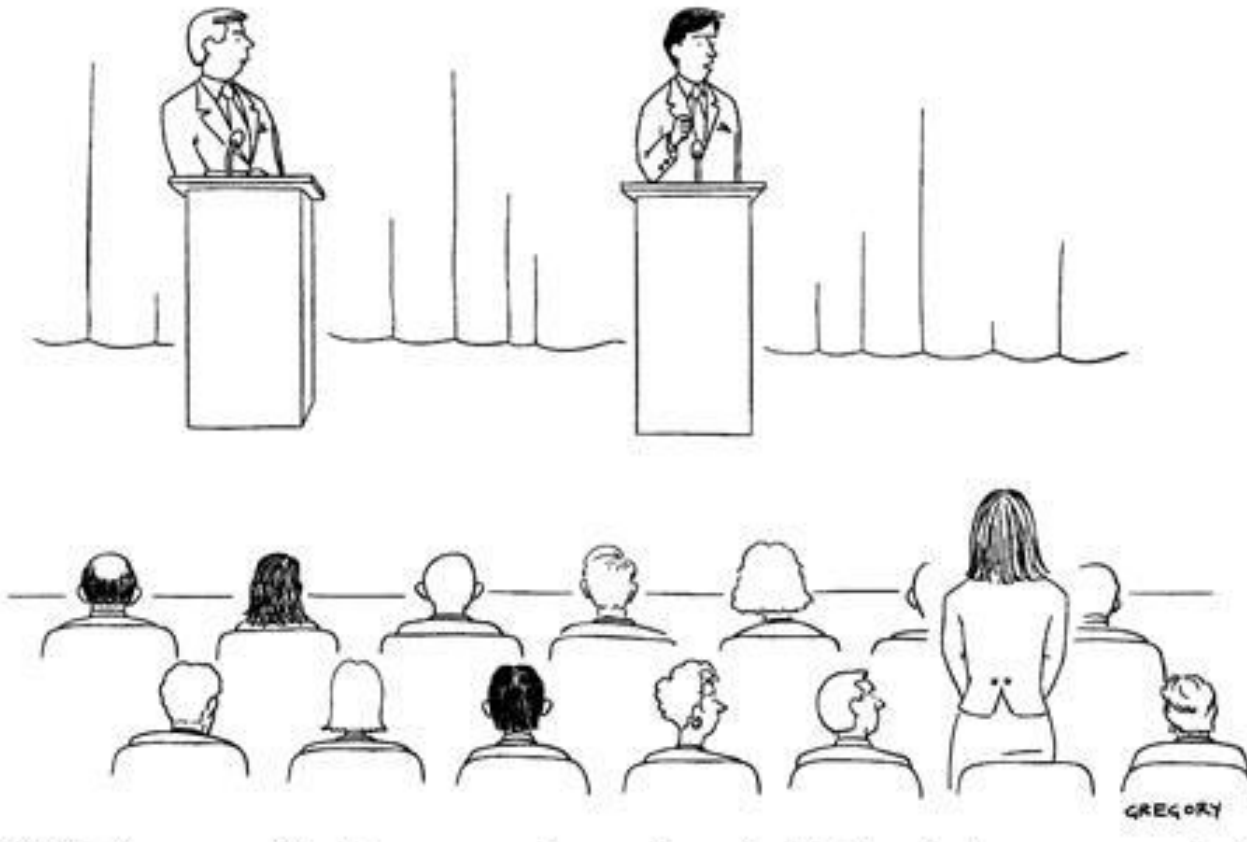

"Maybe internet access will help the castle see our point of view."

# CENTRAL-LOCAL RELATIONS: DEVOLUTIONARY TRENDS

"There are some egos in here gumming it up."

- Relationship needs to change to encourage risk taking
- Letting go and mutual respect
- Increased transparency

- Devolution's new democracy can't only be about Metro Mayor's
- Local Gov have to empower communities
- Transparency

# RECOMMENDATIONS

1. 'us and them' mentality must end
2. combined authorities must work together to integrate effectively
3. central government must create the conditions for risk if they want innovation
4. democratic offer cannot just be about the mayors
